EXPERIENCE

FRONT-END DEVELOPER
Freelance | 03 2022 - 06 2022

- In this role, I was responsible for developing and maintaining a variety of web applications using HTML, CSS, JavaScript, Bootstrap. I also collaborated with a team of developers to design and implement new features and improvements for the company's web applications. My work resulted in increased customer satisfaction and improved user experience.

WEB DEVELOPER
Freelance | 10 2022 - 02 2023

- Web Developer(freelance), 2021-2022. In this role, I worked on a project that involved developing a website that helped other websites increase their traffic. I was responsible for creating a user-friendly design, optimizing the site for search engines, and implementing tracking and analytics tools. The project was a success, and the client was very satisfied with the results.
